

# MOUNTAIN HOME CHURCH OF THE NAZARENE

YOUTH

Newsletter Sept/Oct 2020

## Dear Parents/Guardians of our young people,

Happy Autumn! I CANNOT believe it is already Fall, the season of football games, apple cider, pumpkins, and so much more. This year has been quite different than many of us have experienced before, so I am excited for a new season and perhaps some fresh perspective. Just because this year has been different, that doesn't stop God from being God and the Church from being the Church, amen? It has been awhile since one of these newsletters has come out (I'm so sorry) so I'm excited to let you in on some exciting things coming up in the life of our young people. By the way, the youth room has some fresh paint so come check it out sometime! Here's a peak at some upcoming things:

### **SENIOR HIGH GIRLS LIFE GROUP | 1st and 3rd Mondays | 6-7:30pm | Little House**

Sorry boys, this one's for the ladies. I am thrilled to be starting up a life group for 9th-12th grade girls this year. My hope is to get one started for boys in the near future so keep your eyes open for that if you have teenage boys! This life group's main goal is to be a place and time to do life together, grow closer in community, and, most importantly, develop more depth in our relationships with God. We'll meet the first and third Mondays of each month at the Little House. Don't know where that is? Just ask!

### **MEMBERSHIP CLASS | Wednesdays Starting Oct. 21st | 7-8:15pm**

Starting mid-October, Pastor Trent will be leading a class diving into what membership in the Church of the Nazarene looks like. We love it when our young people want to be a part of something like this. If your teen is interested, you or they can talk to Pastor Trent or myself for more info!

### **FARMSTEAD FIELD TRIP | Wednesday, Oct. 28th | 4:30pm | \$5**

Quay's Maze isn't hosting groups this year so we're making the drive to Meridian to the Farmstead! This is always a fun trip and an opportunity to celebrate this fun season! We'll leave the church at 4:30pm that day and plan to be back by 9:30pm. If any parents are interesting and willing to drive their vehicle with some students, please reach out to me!
